UNIVERSITY OF  
**Cincinnati**  
University of Cincinnati College of Medicine

The Neuroscience Institute, a neuroscience center of excellence located at The University Hospital in Cincinnati, and affiliated with the University of Cincinnati College of Medicine, brings you this half-day symposium to assist primary care physicians, and other health professionals, in the diagnosis, treatment, and management of common ENT and neurologic problems.

### Target Audience

- Internal Medicine
- Family Practice
- General Practice
- Ear, Nose and Throat Specialists
- Allied Health Professionals
- Other interested Specialists

### Objectives

At the conclusion of this program, the participant should be able to:

- Identify resources for diagnosis and treatment.
- Identify untapped functional potential of patients with common neurologic problems.
- Identify state-of-the-art diagnostics.
- Review state-of-the-art medical and surgical therapies.

### Continuing Medical Education

The University of Cincinnati College of Medicine designates this activity for a maximum of 3.5 credits of Category I credit toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the educational activity.

The University of Cincinnati College of Medicine is accredited by the Accreditation Council of Continuing Medical Education to sponsor CME for physicians.

### Moderators:

#### Myles L. Pensak, MD

Professor, University of Cincinnati College of Medicine, Departments of Otolaryngology and Neurological Surgery; University Ear, Nose and Throat Specialists, Inc.; The Neuroscience Institute

#### Robert Goldenberg, MD

Professor, Wright State University School of Medicine, Chief, Division of Otolaryngology, Department of Surgery; The Neuroscience Institute

### Faculty:

#### Myles L. Pensak, MD

Professor, University of Cincinnati College of Medicine, Departments of Otolaryngology and Neurological Surgery; University Ear, Nose and Throat Specialists, Inc.; The Neuroscience Institute

#### Fredy Revilla, MD

Assistant Professor, University of Cincinnati College of Medicine, Department of Neurology, Director, Movement Disorders Center; The Neuroscience Institute

#### Kevin Shumrick, MD

Professor, University of Cincinnati College of Medicine, Department of Otolaryngology; Director, Facial Plastic Surgery, University Ear, Nose and Throat Specialists, Inc.; The Neuroscience Institute

#### David Steward, MD

Associate Professor, University of Cincinnati College of Medicine, Department of Otolaryngology; University Ear, Nose and Throat Specialists, Inc.; The Neuroscience Institute

#### Thomas Tami, MD

Professor, University of Cincinnati College of Medicine, Department of Otolaryngology; University Ear, Nose and Throat Specialists, Inc.; The Neuroscience Institute

#### Philip Theodosopoulos, MD

Assistant Professor, University of Cincinnati College of Medicine, Department of Neurosurgery; Director of Skull Base Surgery, Mayfield Clinic; The Neuroscience Institute

#### Keith Wilson, MD

Associate Professor, University of Cincinnati College of Medicine, Department of Otolaryngology; University Ear, Nose and Throat Specialists, Inc.; The Neuroscience Institute
